The University City High School Field Hockey Boosters need your support! Our Booster falls under the umbrella of the Centurion Alumni Foundation of University City High School, commonly called "The Centurion Foundation", which was founded in 1986 to help support all of the teams, clubs and programs at University City High School as a nonprofit organization 501(c)(3).

The Field Hockey Boosters are a group of dedicated parent volunteers who are working hard to ensure that each student receives a first-class Field Hockey experience. As a parent/friend/supporter of the Field Hockey Team you are automatically a member of our Booster and we welcome help and ideas from everyone to support our fantastic team.

In order to deliver a high quality Field Hockey program for our students at UCHS, our Booster depends on the optional/voluntary efforts of parents and community members. These efforts come from volunteers who are willing to donate their time and labor, or through actual financial assistance to the Field Hockey Booster.

The Field Hockey Boosters have collaborated with the Athletic Director, the Coach, School Administration and school personnel in order to compile a financial operating budget for the 2022-23 school year. The Field Hockey Program has a school budget of \$1600 for this year. Additionally, our program receives 3 coaching units to support our program with one coach. The rest is up to the fundraising efforts of our Booster and we believe we can do it with your help! Based on the created budget, our fundraising goal for the 2022-23 school year is \$10,850. Because the Field Hockey program is free to all students who want to participate, there is no expectation that a student or parent make a financial donation to the program in accordance with the district donation and fundraising guidelines.

https://www.sandiegounified.org/about/policies_procedures/student_fees_donations_and_fundraising_guidelines/student_fee_guidelines

If you would like to make an optional/voluntary donation, please do so in any amount that is comfortable for your budget. Please know again, however, that **ALL** students will receive the same opportunities, experiences, and/or materials regardless of whether a contribution is made. Please also know that if we do not raise the anticipated amount set aside for the budget this year, the program will have to cut back on extra opportunities for our athletes that help make the experience special for our students. We will do our best to raise the necessary funds to make it a great opportunity for our student athletes!

Here's your chance to help make this year an incredible learning experience for our student athletes. Please consider this opportunity and need. Your donation, in any amount, would be greatly appreciated. Donations are 100% tax deductible. In addition, your donation also qualifies for matching funds if your employer offers this service. The Field Hockey Boosters thank you for your continuing support of these talented student athletes.

Total planned expenses for the season \$12,450 Amount covered by school/district \$1,600
Needed from fundraising for Booster \$10,850.
