

## Care for UCHS Field Hockey pinnies and uniforms

This year we have new pinnies and new varsity jerseys and we want to take good care of them so they will last for many years. Please follow these instructions when washing or laundering the pinnies and uniforms.

### **Machine wash cold and hang to dry.**

- Do NOT wash in hot water
- Do NOT put in dryer
- Do NOT bleach

We expect all pinnies, jerseys and skirts to be returned at the end of the season. If any pieces are lost, not returned or are in worse condition than when we gave it out, you will be held responsible for replacing it. Players will not get their letters or awards at the end of the season until all pinnies and uniforms are returned.
